About Rory's School Lunches

Rory's School Lunches is a local Catering and Canteen Management Company who provide excellent and extensive "healthy choice" food offerings to numerous schools across South Australia. Rory's School Lunches believes all students deserve healthy and nutritious food to support their growth and learning. That's why we employ a team of qualified chefs to prepare fresh, delicious and healthy meals.

Made with Fresh Ingredients

Because our food is delivered daily, we don't need to use harmful preservatives to extend its shelf life. We cook the traditional way, taking advantage of fresh herbs and spices to boost the flavour of our food.

Cater for Fussy Eaters

Some students can be fussy about eating healthy foods so we incorporate them into our dishes. For example, our Napolitana sauce is packed full of veggies blended into a delicious sauce so students don't notice them.

Variety

Our menus are updated to keep them exciting for students and to encourage them to try a range of food. There are some popular items students love so we always keep them on the menu.

Ordering lunch can be fun and a learning experience for students, so as well as our healthy meals we offer a few treats for special occasions.

Convenient

Parents, enjoy a day off preparing the school lunches guilt-free because Rory's School Lunches are fresh, healthy and affordable.

Lunch Purchases

There are two ways students can purchase lunch.

The first way will be to place an online lunch order via the QKR app (details below) or drop into the canteen before school and place an order directly with the canteen. The canteen will be open from 8:00 am each morning. Students that place lunch orders will be able to order from the menu that is available on QKR, the Rory's website at www.rorys.com.au or from the menu in the canteen.

The second way is students can come directly to the canteen at recess and lunch (Senior & Middle students only) and purchase from a great selection of hot and cold foods from the displays. Some of the hot and cold foods you can expect to see daily are; fresh baguettes, salads and wraps, hot pasta, curries and stir-fries, Toasted wraps and yiros, toasted subs, burgers, hotdogs and many other specialty dishes.

The canteen will also stock a range of drinks, ice blocks and snack items. Full EFTPOS facilities are available in the canteen. Junior school students will have access to purchase drinks and snack items over the counter also.

Online Canteen Orders

Rory's School Lunches provides an online canteen ordering system for the convenience of schools, parents and students.

- orders can be placed in advance, any time, until 9:00am on the day the lunch is required.
- students don't need to bring cash to school to pay for their lunch order.
- parents can also discuss food choices with their children, which is particularly helpful for younger students.
