*Woodcroft College is vibrant, innovative and inclusive.
It seeks to provide an excellent all-round education
in a Christian environment.*

School Philosophy

Woodcroft College is future-oriented, equipping students with the knowledge, attitudes and skills they need to gain worthwhile employment, be responsible global citizens, and model their lives on Christian values and beliefs.

The curriculum is diverse and broadly based.

It is centred on the intellectual, physical, emotional and spiritual needs of students.

It encourages them to:

- Pursue academic excellence, yet caters for individual differences in learning styles and abilities.
- Strive in all areas of human endeavour from the subject-based disciplines to the arts, outdoor education, sports and leisure-time activities.
- Become confident, active, resilient, self-reliant and successful lifelong learners.
- Grow in faith through Religious and Values Education, corporate worship, and service to others in school, local community and international projects.

The curriculum, co-curriculum and pastoral care program have a global perspective, preparing students for citizenship in a democratic, multicultural society.

They are encouraged to:

- Be themselves, showing tolerance and respect for the rights of others.
- Appreciate social, religious and cultural differences.
- Grow in self-respect, taking responsibility for their own actions and conduct.
- Become leaders, experienced in decision-making.

From the Head of College

Dear Parents and Students

It is always my pleasure to welcome current and new families to Woodcroft College.

Thank you for choosing to be part of our community.

We look forward to sharing each student's journey through the years. We know that there will be challenges along with exciting and rewarding experiences.

Woodcroft College encourages students to strive, to be inspired and to achieve their personal best. Our facilities and curriculum offerings are designed to give our students the opportunity to pursue many areas of interest.

Our pastoral care is a key focus for the wellbeing of our students. Ensuring that they feel supported both inside and outside the classroom is our priority.

This booklet is designed to give both parents and students a clear understanding of the start of a new school year at Woodcroft College.

You are encouraged to visit our College website (www.woodcroft.sa.edu.au) where you will find additional information to help you prepare for the 2020 school year. You will find some useful links to pages on our website in this booklet.

We wish every student success and we look forward to your family's involvement at Woodcroft College.

Shannon Warren
Head of College

Consents

Media Consent Authority

The College has an 'Opt Out Option' only for all media consent permissions.

During the year photographs, images, video, voice, academic and creative work of students are taken for teaching and learning, teacher reflections, standardisation and moderation, assessment, sharing students learning, class activities and excursions, archival and promotional purposes.

Students may also publish their own materials on the school or class websites, seesaw, blogs and other online environments.

Use of all media is at the discretion of the teacher and the College, and may be published in publications, on publicly accessible school sanctioned websites and on external media organisations for publication and broadcast, such as Facebook.

Families who wish to use the Opt Out Option must print, sign and return their form.

The 'Opt Out Option' form can be found on the College website:
www.woodcroft.sa.edu.au/enrolments/information-for-2020

Photography by Parents, Students or Staff

Photographs, video or digital images of a student or staff member are considered 'personal information'. Their use and disclosure are governed by the Privacy Act 1988 and the 2014 Australian Privacy Principles (APP) contained within it. Photographs, video and digital images of students and staff may also contain copyright, and therefore may also be governed by the Copyright Act 1968.

Apart from concerts, assemblies and special events, College approval must be obtained before taking any photographs, recordings or videos around the College. At special events, parents may photograph their own children and should never distribute, store or display photographs of others' children or staff members, in either electronic or printed form, without their express permission.

Similarly, College logos should not be used without the express permission of the Head of the College.

Notwithstanding this, parents should understand that their children may be photographed or filmed by other parents or visitors at Woodcroft College events or events at other schools and venues.

Local Walks Permission Form

Occasionally it is necessary for students to go on short walks with their class and class teacher in the local area.

Some examples of these walks are:

- to the local library or shopping centre;
- to monitor flow and variety of traffic; and
- Environmental Studies.

We seek your consent for your child to be involved in this activity. When this consent is given it will be kept on record for your child's duration at the College (any changes to this consent should be advised in writing).

The 'Local Walks Permission' form can be found on the College website:
www.woodcroft.sa.edu.au/enrolments/information-for-2020
